

11th EDF Support To ECOWAS Commission For Transport Governance In West Africa			
Contract: Technical Assistance For 11th EDF Support To ECOWAS Commission For Transport Governance In West Africa			
Publication Reference: EuropeAid/139992/IH/SER/MULTI			
Subject: Clarification No. 1 to Questions on the Contract Notice			
S/N	Clause no. in Contract Notice	REQUEST/QUESTION	ECOWAS' CLARIFICATION
1	Article 21.2a Professional Capacity of the candidate	<u>Language:</u> As there are a number of French and English speaking countries in ECOWAS, is there a requirement that the proposed team members need to be fully conversant in both French and English?	At the contract notice stage of the procedure, the requirement is to establish that the candidate (i.e. the entity submitting the application) has the required economic and financial, professional and technical capacity. At the next stage, that is, the tendering stage, the requirements for the Key Experts will be provided to candidates shortlisted to submit detailed tenders for the contract.
2	Article 21.2a Professional Capacity of the candidate	<u>Team size and composition:</u> Is there an indication of the required team size and composition during the 33 month contract period?	This information will be provided to candidates shortlisted to submit detailed tenders for the contract.
