Notice of cancellation of **lot N°02** of the tender process AOI/PROALAB-OOAS/2021/001 relating to the procurement and installation of solar equipment for the power supply of 5 national and regional reference laboratories in two ECOWAS countries (Burkina Faso and Niger) for the Project "Strengthening Epidemiological Services and Health Systems in ECOWAS Countries" (PROALAB) BMZ No. 2014 68 842, funded by KfW.

DAO N° AOI/PROALAB-OOAS/2021/001 (Référence au BMZ N° 2014 68 842).
Project Implementing Agency: West African Health Organization (WAHO)

The West African Health Organization (WAHO) through a Call for Tenders has invited eligible candidates for the supply and installation of solar equipment for the power supply of five laboratories in Burkina Faso and Niger on the basis of an international tender, to submit bids.

The complete International Bidding Documents (IBD) were available for download at the following link: <https://data.wahooas.org/tenders/tenders/list>

The international tender notice was published on 04 February 2021 on the websites of GTAI, the ECOWAS Commission and WAHO.

The West African Health Organization (WAHO) informs the bidders who have taken note of this invitation to tender, that after the evaluation of the qualification files, WAHO, after the partner's (KfW) opinion of no objection, cancels **lot N°2** of the process **No. AOI / PROALAB - WAHO/2021/001**.
